A legally authorized representative for the purpose of sharing health information is defined as "a person or agency authorized by state, tribal, military or other applicable law, court order or individual's consent to act on behalf of a person for the release of medical information." If you are signing this form on behalf of the individual, you must provide a copy of the authorization/legal document authorizing you to complete this form, unless this information has already been provided to New York Medicaid Choice.

SECTION 3. INDIVIDUAL'S ACKNOWLEDGEMENT / RELEASE OF MEDICAL INFORMATION

As explained by New York Independent Assessor (NYIA), I understand:

- In order to receive Medicaid community based long term services and supports (CBLTSS) not covered by my current plan, I choose to join a Managed Long Term Care (MLTC) plan.
- The differences between a Medicaid health plan and an MLTC plan.
- I may not be able to see my current doctors if I change to an MLTC plan.
- My assessment will determine my eligibility to join an MLTC plan. The NYIA will contact me to schedule the assessment.
- I give my health care provider permission to share all necessary medical information that is relevant to my request to transfer to an MLTC plan. This may include any disability information needed to confirm needed services that are not available in my Medicaid health plan.
